Dear Walter,

Even though we haven't been around each other a lot, I feel that I know you very well. You have always had a friendly hello for me when we pass in the hallway and that can mean so much. You have a most wonderfull personality, and the friends you make are steadfast. May you have the best of luck and God Bless you always,

-Reserved for Cindy- May 18, 1962

Dear Walter,

Well, just 10 more days and we will really be out. Guess long years of school just for this.

You know just the short length of time we have known each other, we have really done pretty well. I really do wish that we could have met sooner! It always has to come to an end and that end isn't very far off.

I know you have had as many memories in this school as I have. Sometimes I hate this school so much, then other times I wouldn't change going here for anything in the world. I surely hope that you will come back here for Homecoming! I would like to see you again.

You might laugh at this, but I am really serious. Walter, you have a talent. A talent of making friends and making them for life. Those are the really truly friends to have. Your personality is really outstanding. Don't lose it or even forget you have it. I know I'll always remember you as "What me Worry"?

I hope that I can be your friend without any hard feelings between us. OK.!

Now if you come through San Angelo on your way to Washington please call me (655-5095.) How do you know we might see each other at the World's Fair in August.

Bye Walter - please never change!!!

I Love You,

Cindy

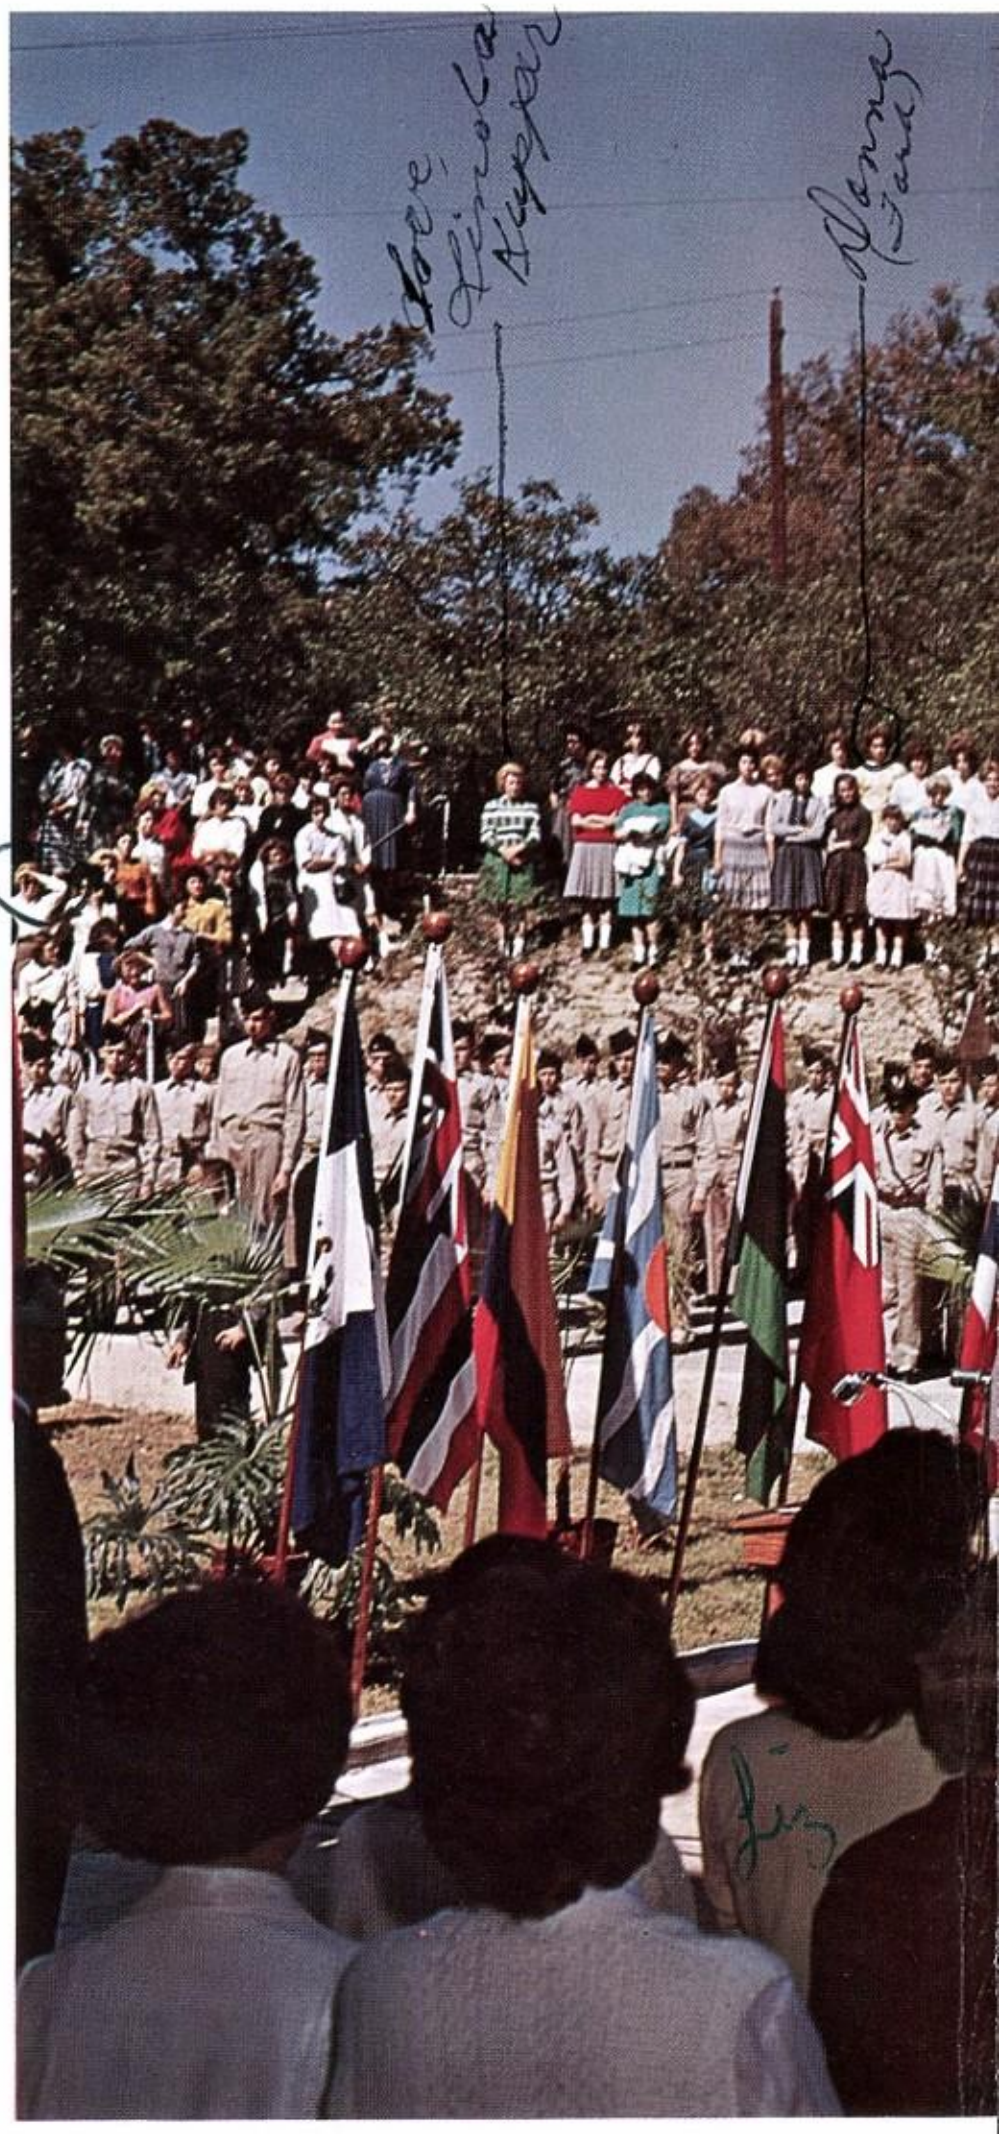
# THEY COME FROM



I was watching you
Love,
Cindy

Students at San Marcos Baptist Academy come from all over the world. They come from Argentina, Bolivia, Canada, Canal Zone, Ceylon, Chile, Colombia, Guatemala, Honduras, India, Indonesia, Libya, Peru, Puerto Rico, and the West Caroline Islands. There are also students from the two newest states in the union, Alaska and Canada.

The students from the states learn to work and live with people of different races and religions. They learn to tolerate each other's beliefs, to understand each other's ways, and to love each other for themselves, not by what country they might represent.

A "Garden of Flags" stands on the north side of Carroll Hall where each country is represented by its national flag. It was dedicated on October 12, 1961.

COACH BOBBY GIBBENS

Because of your untiring efforts on the field and court, your "never-say-die" attitude, your ways of teaching good sportsmanship and clean play, your loyalty to the players, your deep interest and love of athletics, your words of praise and criticism when we win or lose, and because we know you give your all, we dedicate the 1962 CREST to you....

# CARROLL HALL

Carroll Hall, the main building on the Academy hill, was the first building constructed on the campus. In its first years, it housed the boys, girls, faculty and staff members, infirmary, offices for administration, kitchen, classrooms, chapel, and dining hall. Now, 55 years after its construction in 1907, Carroll Hall is the locality of the administration offices, apartments for some Academy personnel, Harris Chapel, the fine arts department, the health service, kitchen and dining hall. Also, the boys in "A" Company of the First Battle Group and the boys in "Carroll" Company of the Second Battle Group live here.

# DORMITORY DEANS

Perhaps the adults who have the most contact with students at the Academy are the Dormitory Deans. Colonel Lightfoot, Miss Shultz, and Mrs. Derrick, wisely guided and counseled the residents of Talbot, Abney, Alexander, and Elizabeth Kokernot Halls during the 1961-1962 school year. These three aided students in one of their most valuable fields of knowledge, learning to live with others.

REGISTRAR

My Fellow Students:

We come again to the close of another year, and as I look back on my many memories, one is most outstanding. This is the honor of serving you as your President. I promised you my best and I feel I have given it. Emerson once said, "The reward of a thing is to have done it," and it is done.

This year we have tried in every way to better San Marcos Baptist Academy. We have strived hard to fulfill our constitution: "To give these students a sense of responsibility, a respect for their school and community, to promote school activities, to be of assistance whenever possible in the management of the school, to promote the general welfare of the student body, and to consider such other matters as may be referred to it by the Dean of the School."

I wish to express my sincere thanks to all those on the staff, faculty, and administration who have cooperated and supported us this year. To our sponsors, Mrs. Yelvington, Mrs. Haslam, and Mr. Benge, I extend a special "thank you" in deep appreciation for your help and skillful guidance.

Finally, to the students themselves I express my gratitude for a year to remember. May all the many blessings of long life, prosperity and happiness come to you all.

May God Be With Each of You,

DIANNA PARKER
Editor-in-Chief

Students, Faculty, and Friends of SMA:

I would like to extend my sincere thanks and appreciation to our sponsor, Mrs. Robert Gibbens, who gave so earnestly of her time, patience, and hard work to assist in compiling this annual. Much credit is to be given the 1962 CREST Staff, who has worked and co-operated in every way to make this CREST possible.

Many hours were spent in the planning and assembling of the 1962 CREST. As we look back at this CREST we will always be reminded not only of the last minute rushes, picture schedules and deadlines which the staff had to meet, but also the anxieties felt by all until the arrival of the new CREST in May.

In this CREST we have tried to capture some of the most important moments in your life at SMA. In doing so, we hope this book will record permanently the many memories shared by all, during this past year.

Having been editor of the CREST has meant a great deal to me. I sincerely hope that this CREST will prove to have some special significance to each of you.

Sincerely,

Dianna Parker

FACULTY AND FRIENDS:

The purpose of the Laurel is to keep you, the students, faculty, parents, and friends of San Marcos Baptist Academy, up to date and well informed of the events on campus. Humor, news, and education, go together to make up the columns of this newspaper and we hope that you have enjoyed every copy.

I want to thank my entire staff for their unending work. From the stories they wrote and all their contributions they have proved themselves willing workers and I sincerely hope they have profited from this work. The Laurel Staff is deeply indebted to Mrs. Robert Gibbens for sponsoring the paper. Her patience and unlimited time combined, helped the Laurel reach its peak.

As editor of the Laurel, I speak for the entire staff in saying, writing and putting out this paper was worth every minute spent on it. Although at times we felt like quitting we were always rewarded when the printed Laurels were delivered. It was then that we really knew we had a newspaper of which to be proud.

My desire is that each of you felt that our efforts were worthwhile.

Sincerely,

Sherrill Mitchell

Dear Mrs. Gibbens:

Mrs. Shivers and I have received the photographs of the six young men and the six young ladies which you submitted as nominees for the "Most Handsome Boy" and the "Most Beautiful Girl" in the San Marcos Baptist Academy.

I know you will understand that our decision was a most difficult one, because all of the girls were very beautiful, with exceptional qualities in each, and all of the young men expressed considerable character and a very determined personality. I wish it had been possible to give each one of them a first prize.

We have spent a considerable amount of time in trying to make our determination. All of our family made suggestions, but we have determined that, based upon the photographs submitted, the photograph marked "Susan Wayne" will be selected as "Most Beautiful Girl", and the photograph marked "Arthur Jackson" will be selected as "Most Handsome Boy". I have signed each of these so that there will be no confusion. We realize that the difficulty of the decision might cause others to disagree, and certainly we feel that all of them are entitled to recognition, because in almost any competition each would be considered most eligible.

We wish for you and the school a continued success and a very happy year.

Sincerely,

Allan Shivers

Dear Walter,

I just can't begin to tell you how very much I think of you. You are truly a great person. You said — 'you were glad I could play a part in it — I am, too. You don't know how hard it was for me to do what I did. I just hope we can always be the best of friends 'cause I'll never forget you and your wonderful ways. There is so little room for so much to be said. You are the kind of guy I like. I just hope you never change o.k.? o.k.? Did you forgive me for all the things I said? I would not be happy until you did. We've been through so much and yet it was so short a time. You said never forget the Seniors of 62. Believe me, I won't. This has been a wonderful year for me and I hope it has for you, too. Always keep your great personality and smile. If you don't mind, I'd like very much to keep in touch with you. Be good and remember -

I Love You,
Donna

Walt,

I hope that you have been well fed this year. I've really enjoyed being the sweetheart of so many wonderful guys like you all are. I can't begin to say or think of enough adjectives (good ones) to tell you how much I respect you & I think of you. You have been an influence on my life for the good.

I'm really going to miss you next year. If you have a chance - come see me. I'll be at Texas U. Try and make it back to A&M for homecoming and we'll talk about old times - both the good and the bad.

May God keep you well and happy in the years to come. He has a great guy under His care.

Stay sweet. I'm going to miss you next year.

Love always,
Dana - Band. Sweetheart - 61-62
